

PhD opportunity

The IRL (International Research Laboratory) IMMUNE HEALTH located in Ribeirão Preto Medical School, University of São Paulo, Brazil starts in January 2024. This new laboratory in the field of Immunology is directed by José Carlos Alves Filho ([Associate professor at USP](#)) and Nicolas Riteau (CRCN at CNRS, [INEM Orléans](#)). We are seeking to implement long-term highly collaborative research on the topic of regulation of host responses and immune health.

There are opportunities for motivated students willing to join our International Research Laboratory to perform a PhD. Please contact us at Nicolas.riteau@cnrs-orleans.fr for any question and preliminary discussion.
